- 73% of families found home visits **very beneficial** and 27% found them **beneficial**.
- 27 families are aware of the nursery blog. I was unaware of it and one was unsure.
- Families were asked how they would like us to share their child's progression and development; 73% (25) like our current learning journal (paper) with 13.5% preferring a digital format and 13.5% unsure

We had some lovely further comments which included: -

All staff warm and welcoming
So lovely to be able to see and share our child's unique story journal
So grateful for the nurturing environment Chevening Nursery provides
The regular updates when our child was settling in helped to reassure us
A lovely outside garden area and comfortable homely indoor space.

Some suggestions:

To include photos of activities the children partake in on the nursery WhatsApp group.
